

# Maxxmar™ Revolutionizes the Market Once Again

**DECORASAFE™**  
CHILDREN ANTI-STRANGULATION BLINDS  
(Patent pending)

Every year children continue to die by strangulation from shades that have chain/cord loops as reported by Health Canada and the Consumer Federation of America.

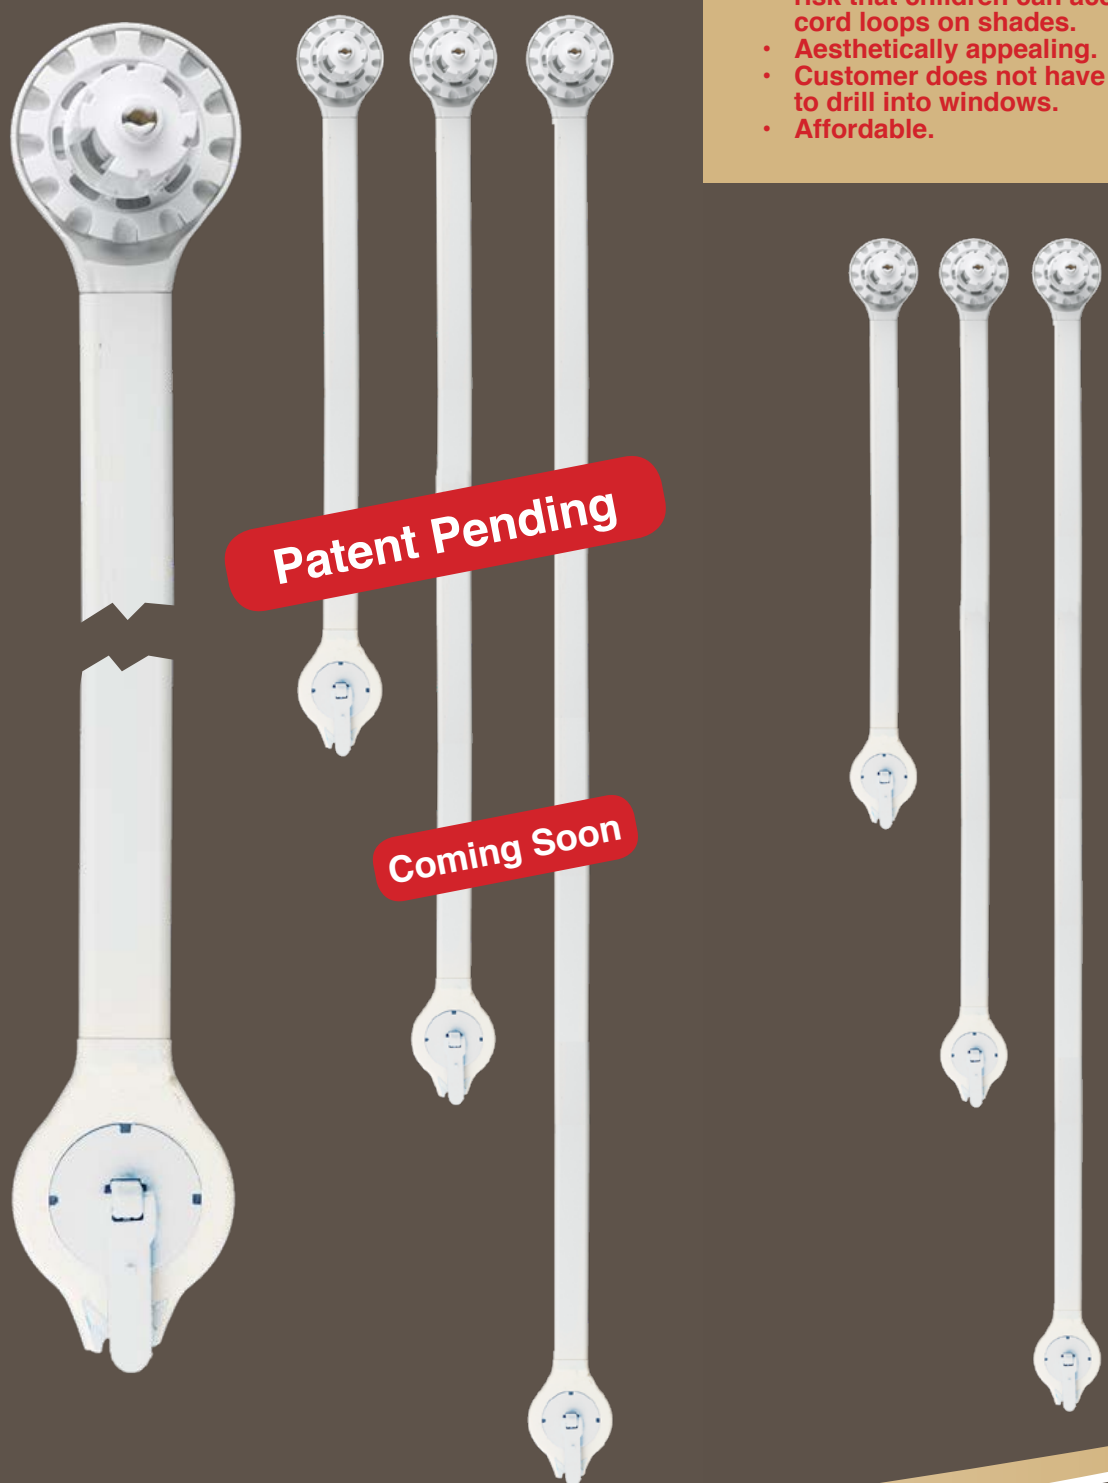

Please consult the following websites:

Why continue to buy exposed cord/chain loop shades and putting your children at risk of strangulation (as reported by Health Canada and the Consumer Federation of America) when you can buy a patent pending concept from Maxxmar that eliminates that risk.

- Safety solution that eliminates the risk that children can access chain/cord loops on shades.
- Aesthetically appealing.
- Customer does not have to drill into windows.
- Affordable.
